

OUR CIRCULAR ECONOMY

From Olives a concentrated boost of Wellbeing

Our contribution to the environment and land protection starts with the functional and innovative use of every part of the olive to create products with excellent organoleptic properties. This is how **Youvon** products, such as healthy foods, are born from the remainders of oil extraction.

YOUVON HEALTHY PRODUCTS IS ALSO FOOD:

Under the **Youvon** brand we have developed the CRUNCHY STICK product line with a PATENTED PROCESSING METHOD that blends Prebiò Olive Powder with buckwheat flour, pea flour and chestnut flour. Rich in fibers and polyphenols, with high content of vitamins and minerals, they have a PREBIOTIC and ANTIOXIDAT ACTION.

SKINCARE

ORGANIC OLIVE SEED OIL

Even the olive kernel that remains from the production of pitted Extra Virgin olive oil is recovered and enhanced by separating the seed and the wooden part.

This second part is used as fuel and thus becomes an energy source.

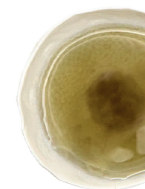

From the seed, through a cold press process, we obtain olive seed oil.

This ingredient has been studied at the Prebiò srl research and development center in Riva del Garda TN, in collaboration with the Universities of Florence and Bolzano.

It is rich in phytosterols, polyunsaturated fatty acids and VITAMIN E.

With its optimal absorption, it acts on the dermis by stimulating fibroblasts to produce Collagen and Hyaluronic Acid.

Its antioxidant action protects the skin with an ANTI-AGING, hydrating and anti-inflammatory effect.

DAILY PLUS CREAM

Protective face moisturizer

A delicate, easily absorbed texture ideal for all skin types, even fragile or sensitive.

Its formula containing the exclusive Prebiò Olive seed Oil intensely hydrates, protects and strengthens the skin.

Dermatologically tested.

USE: apply morning and night on the face and neck. Massage for 5 minutes to maximize the effects of the cream.
available size 50ml

INTENSIVE LIFT CREAM

Anti-aging lifting face cream

Cream with a creamy, rich texture. Anti-aging booster, regenerates, hydrates and tones.

Prebiò Olive seed Oil's antioxidant property acts on free radicals, protecting the skin from oxidative stress and premature aging. This formula stimulates cellular turnover in the skin, and has a lifting effect. Day by day this cream becomes one with the skin, regenerates it intensely, and makes the face appear naturally younger.

Dermatologically tested.

USE: apply morning and night on the face and neck. Massage for 5 minutes to maximize the effects of the cream.
available size 50ml

INTENSIVE OIL

Anti aging face oil

Anti aging booster. Regenerates, hydrates, stimulates skin renewal.

The Prebiò Olive seed Oil and Vitamin E formula with its antioxidant effect acts on free radicals, protects the skin from oxidative stress and premature aging.

Dermatologically tested.

USE: apply and massage to let absorb, ideally in the evening.
available size 15ml

BODY RITUAL CREAM

Hydrating body cream

A daily ritual to protect your body's skin from environmental stress and from time.

A formula with Hyaluronic Acid, Argan Oil, and Prebiò Olive seed Oil, which hydrates and nourishes your skin, keeping the dermis young. Your skin will be silky, toned and soft.

Dermatologically tested.

USE: apply on the whole body and massage to let it absorb.
available size 200ml

SOFT TOUCH

Anti aging hand moisturizer

Anti aging cream, ideal to cleanse and restore nutrients to stressed hands.

Dermatologically tested.

USE: apply and let absorb.
available size 50ml
